

Tamarac Football and Cheerleading Volunteer Requirements

The Tamarac Cougars Tackle Football and Cheerleading Program depends on the participation of its player’s and cheerleader’s parents and guardians to make the program successful. We are able to keep our registration fees low because of the money earned in our Concession Stand, Merchandise Sales and Fund Raising.

All of these tasks are vital and necessary to keep our league running. It takes volunteers, tons of them! We need the help of parents, relatives, and friends of each player and cheerleader to make this happen.

In order to ensure the league is properly staffed, parents and guardians of registered players and cheerleaders are required to volunteer a total of **TEN (10) HOURS** of their time in one of the many available spots. 10 hours total per family whether you have one player on the Cougars or 4.

We will be posting a volunteering program that you can go in and pick out, of the tons of options available. We are looking forward to spending more time with the families and making our Cougar Family Stronger and Closer.

If for any reason, you do not want to put in the time, you have two options:

1. You can ask someone else to fill in for you. (Volunteers should be 14 and older.)
2. You can get one league donation/sponsorship of \$250 this will cover your entire family volunteer requirement for the season.

Because of the importance of this commitment to the program’s success, if you fail to exercise the above options and miss your chosen Duty, the player(s) or cheerleader(s) you represent will not be allowed to dress or participate in the next game.

The success of our children and our program depend on volunteers. Together, we can continue to make the Tamarac Cougars Tackle Football and Cheerleading Program one of the premier programs in the South Florida area!

If you have any questions, please ask your child’s Head Coach or Team Parent.

I have read the above statement and I understand that I am required to volunteer at least **TEN (10) HOURS** in the Volunteer hours during the football/cheer season. I have read, signed and understand the Volunteer Requirement Form
